1. Acceptance of These Terms

Welcome to eBizEarn ("eBizEarn", "we", "our", "us"), a product of eBiz Network accessible at ebizearn.com. eBizEarn is a task marketplace that connects contributors — people who complete social-media tasks — with businesses that run promotional campaigns.

By creating an account you accept these Terms; your acceptance (version, timestamp, IP) is recorded as proof of consent. By accessing or using the platform you agree to be bound by these Terms of Service and by our Privacy Policy, Cookie Policy, and Disclaimer. If you do not agree with any part of these terms, you must not use the platform.

We may update these terms from time to time. When we make material changes, we will notify you through the platform or by email, and the version number of these Terms will increase. Your continued use of eBizEarn after changes take effect constitutes acceptance of the updated terms.

2. Who We Are

eBizEarn is operated by eBiz Network, Office 102 - Global link Business centre, 37 Platon Ioseliani St, Tbilisi, Georgia. Company registration number: [COMPANY REGISTRATION NUMBER].

For any question about these Terms, contact us at support@ebizearn.com.

3. Eligibility and Accounts

You must be at least 18 years old, or the age of majority in your jurisdiction (whichever is higher), to create an account. By registering, you confirm that you meet this requirement.

Each person may maintain one contributor account. Registering or operating multiple accounts, or creating accounts on behalf of others without their consent, is prohibited and may result in suspension of all related accounts and forfeiture of earnings.

You must provide accurate, current registration information (including email and phone) and keep it updated. You are responsible for safeguarding your login credentials and for all activity under your account. Notify us immediately at support@ebizearn.com if you suspect unauthorized access.

4. Free Access for Contributors

Creating and using a contributor account is 100% free. We will never charge registration fees, membership upgrades, deposits, or pay-to-work fees for contributors to access tasks and earn rewards. Any message or person asking you to pay eBizEarn to "unlock" earnings is a scam — please report it to support@ebizearn.com immediately.

5. Tasks and Submissions

Businesses post tasks (such as following a page, sharing a post, or engaging with content) with specific instructions and reward amounts. Contributors choose which tasks to complete voluntarily.

- Complete tasks exactly as instructed and submit genuine, original proof of completion.
- Keep required posts, follows, or engagement visible for the duration stated in the task (at minimum 24 hours unless the task states otherwise). Deleting posts or unfollowing prematurely may result in reward clawback.
- Submissions are reviewed through automated checks and human moderator review. Reviews may take time; we do not guarantee approval or a fixed review timeline.
- If a submission is rejected, you will be shown the reviewer note and, where applicable, may submit corrected proof or request escalation.
- Businesses do not purchase fake engagement: we prohibit campaigns requesting fake reviews, deceptive testimonials, misleading claims, spam, or illegal content. Report any task that asks for such behavior to support@ebizearn.com.

6. Earnings

When a submission is approved, the reward is credited to your eBizEarn wallet. A complete double-entry ledger of everything you earned, have pending, or withdrew is available in your account.

Earnings are not guaranteed. How much you earn depends on task availability in your region, the rewards businesses set, your effort, and successful verification of your submissions. We make no promises about the volume of tasks or the income you can expect. Rewards are denominated in USD and credited to your wallet balance only upon successful verification.

eBizEarn is not an employer: completing tasks does not create an employment, agency, or partnership relationship between you and eBizEarn or any business.

7. Withdrawals

You may request a withdrawal once your available wallet balance reaches the minimum threshold, currently \$50.00 USD. The threshold may be adjusted by the platform; we will notify you of any change.

- Withdrawal requests are queued for manual processing — payouts are not instant.
- We may require identity verification (such as government-issued ID or phone verification) before processing withdrawals, in line with our anti-fraud obligations.
- Withdrawals may be held, delayed, or reversed while a submission or account is under fraud or compliance review.
- Any fees charged by third-party payment providers are your responsibility and will be shown to you before you confirm a withdrawal.
- You are solely responsible for any taxes on earnings in your jurisdiction. eBizEarn does not provide tax advice.

8. Referrals

Contributors may earn referral rewards by inviting genuine new users through their personal referral link. Referral rewards are credited only when the referred account is verified and active in accordance with the referral program rules shown on the referral page.

Self-referral, creating fake accounts to harvest referral rewards, or otherwise manipulating the referral program is fraud and will result in forfeiture of referral earnings and account suspension. We may change or discontinue the referral program at any time with notice; pending legitimate referral rewards will be honored under the rules in force when they were earned.

9. Fees

Contributors pay no platform fees to sign up, browse tasks, or receive rewards in their wallet. Businesses pay campaign and service fees as described on our business pricing pages and in their billing agreements. If we introduce new fees or change existing ones, we will give advance notice, and continued use of the affected service constitutes acceptance.

10. Data Use & Consent

To operate eBizEarn we collect and process personal data. The categories we collect are:

- Identity data: name, date of birth where required, and identity-verification results.
- Contact data: email address and phone number.
- Task-submission data: the proof you submit for tasks, including screenshots, photos, links, and text.
- Device and technical data: device information, IP address, browser type, and usage timestamps.

We use this data for the following purposes:

- Operating the platform: creating and managing your account and providing core features.
- Verification: confirming your identity and reviewing task submissions, including through automated and AI-assisted checks.
- Payouts: processing withdrawals, referral rewards, and related financial operations.
- Surveys: inviting you to, and analyzing, optional surveys about the platform.
- Research and development and product improvement: understanding how the platform is used so we can make it better, safer, and more reliable.
- Marketing: sending you news, offers, and updates about eBizEarn. You can opt out of marketing messages at any time.
- Legal compliance: meeting our obligations under applicable law and cooperating with lawful requests from authorities.

We keep personal data only for as long as needed for these purposes — while your account is active and for a reasonable period afterwards to comply with legal obligations, resolve disputes, and enforce our agreements. Task submissions and ledger records may be retained longer where needed for audit, tax, or fraud-prevention purposes. When data is no longer needed, it is deleted or anonymized.

You have the right to request access to the personal data we hold about you, to request correction of inaccurate data, and to request deletion of your data in accordance with applicable law. To exercise these rights, contact support@ebizearn.com with the subject "Privacy Request". We may ask you to verify your identity before fulfilling the request.

By creating an account you accept these Terms; your acceptance (version, timestamp, IP) is recorded as proof of consent. You may not later claim you were unaware of this data use: the

summary presented at signup describes it in plain language, and the full detail is in this section and our Privacy Policy.

11. Prohibited Conduct

You agree not to:

- Use bots, scripts, emulators, VPN farms, or any automation to complete or submit tasks.
- Submit fake, reused, edited, or stolen proof (screenshots, links, or tokens) or misrepresent your identity, location, or social-media accounts.
- Operate multiple accounts or assist others in doing so.
- Post or engage in hate speech, harassment, spam, illegal content, financial scams, or deceptive reviews/ratings.
- Attempt to circumvent verification, access other users' accounts, scrape the platform, or interfere with its security or operation.
- Use the platform in any way that violates the laws of Georgia or of your own jurisdiction.

Violations may lead to rejection of submissions, clawback of rewards, suspension, or permanent termination of your account, and referral of serious fraud to the relevant authorities.

12. Business Campaign Terms

Businesses must fund campaigns from their own budgets in accordance with the billing terms shown at campaign creation. Campaign funds are earmarked for contributor payouts and platform fees as described at checkout.

All campaigns undergo compliance screening before going live. We reserve the right to reject or pause any campaign that violates our policies or applicable law, including campaigns requesting fake reviews, deceptive endorsements, spam, or misleading claims. Refunds for unused, unallocated campaign funds are governed by the refund policy presented at billing; funds already allocated to verified contributor rewards are non-refundable.

13. Intellectual Property

The eBizEarn platform — including its software, design, text, graphics, logos, and brand assets — is owned by eBiz Network or its licensors and protected by intellectual property laws. You may not copy, modify, redistribute, or reverse-engineer the platform without our written permission.

By submitting task proof, content, or feedback to the platform, you grant eBizEarn a non-exclusive, worldwide, royalty-free license to use, display, and store that content for the purposes of operating the platform (including verification and dispute review). You retain ownership of your own content and represent that you have the rights to share it.

14. Termination

You may close your account at any time from your account settings or by contacting support@ebizearn.com. We may suspend or terminate your account, with or without prior notice, if we reasonably believe you have violated these terms or engaged in fraud.

Upon termination, your access to tasks and the platform ends. Earnings obtained through fraud or policy violations are forfeited. Any legitimate pending withdrawals at the time of account closure remain subject to verification and fraud review before processing.

15. Disclaimers and Limitation of Liability

eBizEarn is provided "as is" and "as available". To the maximum extent permitted by law, we disclaim all warranties, express or implied, including merchantability, fitness for a particular purpose, and non-infringement. We do not warrant that the platform will be uninterrupted, error-free, or completely secure.

To the maximum extent permitted by law, eBizEarn and eBiz Network will not be liable for any indirect, incidental, special, consequential, or punitive damages, or for any loss of profits, revenue, or data, arising from your use of the platform. Our total liability for any claim arising out of or relating to these terms or the platform is limited to the greater of (a) USD 100, or (b) the total amounts actually paid to you (or paid by you to us) in the twelve (12) months preceding the claim.

Nothing in these terms limits liability that cannot be limited under applicable Georgian law, and nothing here claims certifications, licenses, regulatory approvals, or insurance coverage that we do not hold (see our Disclaimer for details).

16. Dispute Resolution and Governing Law

These Terms of Service are governed by the laws of Georgia. If a dispute arises, we ask that you first contact support@ebizearn.com so we can try to resolve it informally and in good faith within 30 days.

If informal resolution fails, disputes shall be subject to the exclusive jurisdiction of the competent courts of Tbilisi, Georgia.

17. General Provisions

These terms, together with the documents they reference, constitute the entire agreement between you and eBizEarn regarding the platform. If any provision is found unenforceable, the remaining provisions continue in effect. Our failure to enforce any right is not a waiver of that right. You may not assign your rights under these terms without our written consent.
